

Access to Nursing and Health Sciences at The Open University

We're experts in distance learning and online courses- we've helped over 2 million people fulfil their potential and open up their future.

Study with us to benefit from innovative teaching and qualifications respected by employers, all with the flexibility and value not always available at classroom-based universities.

- Whether you're seeking entry into the health and social care professions, or looking to progress your career, with an Open University nursing and healthcare course, the future is open.
- A broad and exciting range of topics and themes in specific subject areas in nursing and health sciences.
- Students in Scotland can study for free via SAAS's Part-Time Fee Grant if their personal income is £25,000 or less per annum.
